Help Along the Way

Scripture: Hebrews 1:1-14

Christmas 2023 || Week #2

Big Question: Why do we worship Jesus and not angels?

Big Idea: *Worship Jesus. For He is God's finished Word and Work.*

Introduction: *The Real Saint Nick*

Jesus vs. Angels: The not so great debate.

What are angels?

- Angels are agents of God and God's Son sent to serve.
 - They give God supplication. V. #5-6
 - They are spirit. V. #7
 - They are standing. V. #13
 - They are sent. V. 14a
 - They are sent to serve. 14b.

How do we take possession of this and take it home with us?

- Who will we serve? Revelation 5:11
- Will we do God's work and heed God's Word? Psalm 103:20
- We can know that we have help along the way.

Are not all angels ministering spirits sent to serve those who will inherit salvation?
