See People, Love People

Scripture: Mark 5:21-43

Big Question: How do we love people like Jesus?

Big Idea: *Jesus-like love for people starts with a Jesus-like look at people.*

Introduction: *Gracie's: small room... big noise*

How Jesus Loves People

- V. #21-24a Jesus seeks those we plead with Him to seek.
- V. #24b-43 Jesus saves people who seek Him in faith.

Applications: How do I take possession of this message and live it out in my life?

- How do you see people? (as a bother, as a bum, as a bad person?)
- What (or who) shapes how you see people? (campaigns, celebrities, or commotion?)
- Does your look at people express itself in a love for people? (compassion, care, Gospel communication?)

“Daughter, your faith has healed you. Go in peace and be freed from your suffering.”
